

Salem State University Neighborhood Advisory Committee

June 5, 2019 – Minutes

Attendees: Ben Szalewicz, Chairman Dominick Pangallo, Adria Duijvesteijn, Dana Lothrop, Polly Wilbert, Captain Riggs, Jack Hoar

1. Welcome and Introductions

2. Approval of March 6, 2019 Minutes

- Approved

3. Old Business

A. Neighborhood Disturbances

- Move out went well, no major issues.
- SSU baseball parking was better this season.
- A complaint came in about the noise from the speaker during a baseball game, which was handled by campus police.

4. New Business

A. Summer 2019 Projects

- Bathrooms in Peabody Hall & Bowditch will be getting redone.
 - There will be some interior fencing up, and dumpsters in and out of campus while the work is being done.
- The solar panel project at Marsh will be wrapping up.
- Roof replacement on the front of Meir will start.
- 410 Lafayette Street will be listed for sale, shortly.

5. Deferred Items

- Salem Diner
 - Adria will send out RFP to group when it is ready.
- South Campus
 - No update
- Canal Street drainage project
 - No update
- Science building addition
 - No update

6. AOB

- Bus stop on Loring Ave Update
 - The MBTA has provided a design, which is a narrower design. Dominick will provide an update to SSU on the design to make sure it does not impede the driving lane in the parking lot. Dominick to follow up with City Engineering and will update the committee.
- Dana brought up the financial stability (voluntary separation incentive program) issue that is being published in the paper. Dana advised neighbors are concerned about the amount of empty buildings throughout campus. Dana asked for enrollment data. Ben and Adria advised that state funding is being cut across all of higher education institutions.

7. Adjourn

Next meeting: Wednesday, August 7, 7:00pm Enterprise Center
